Hi! Here's another postcard
for your growing collection.
I'm having a great time at
the beach, esp. watching the
guy staying across the street! ☺
I can't wait till Monday (24th)
to see how much more I've
received since the 15th. I
certainly won't be bored when I
get home! Went to the aquarium
yesterday - got to see baby sharks
& lots of different types of fish.
We're going to the amusement
park tonight. I played miniature
golf (on a grass course) w/ the boys.
I babysat 4, & I made a hole in
one - can you believe it? I come in 2nd
